

## **Old Shoes**

Seamless leathery second skin,  
Protection from sticks and stones and burrs,  
Ready for service in any season,  
They leave no callouses, pinched toes or blistered heels,  
No back pain or ankle distress,  
Just less mis-stepping and more ground-breaking.

Easy as relaxing in a comfy chair.  
Not necessarily walking on air,  
But staying The Path,  
They offer support instead of distraction.
